

substance abuse issues. The organization was founded in 2010 by Chris Patton, Gary Smith, and Ben Embree. The Embassy officially opened their doors on January 8, 2011, to men in the community wanting to overcome their dependence on drugs.

The mission of their ministry focuses on building a personal relationship with Jesus Christ and rebuilding a sense of self and confidence for their residents to become leaders, whether that be in their work, community, church, or family. Along with spiritual development, The Embassy provides occupational opportunities to ensure a comprehensive strategy for treatment and recovery. These jobs help bring restoration and fulfillment through purposeful employment and development of life skills.

I am proud of Executive Director Rick Rogers, and all the mentors and volunteers that have transformed so many lives. Without their assistance, much of this would not have been possible. Their commitment and devotion to the transformation of these men have helped many Embassy residents become productive members of their community. I commend The Embassy's efforts in providing such an impactful program to help the men in the Sedalia community strive to maintain a life of sobriety. I look forward to seeing their continued work in supporting men in recovery for years to come.

HONORING JOHN BLEYL, ON THE
OCCASION OF THE TWENTY-
FIFTH ANNIVERSARY OF HIS
COMPANY, BLEYL ENGINEERING

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 16, 2022

Mr. BRADY. Madam Speaker, today I rise to honor the distinguished career and community contributions of my dear friend John Bleyl as we celebrate the twenty-fifth anniversary of Bleyl Engineering.

John founded Bleyl Engineering in 1997, after recognizing the need for high quality municipal projects in Conroe, Texas. The inception of Bleyl Engineering helped jumpstart an era of record-setting growth in the Conroe community.

However, John's keen sense of entrepreneurship, strong Texas values, and reputation for faith-fueled business ethics grew the company from a boutique firm in Montgomery County to an engineering and construction management powerhouse with offices and community projects across the Lone Star State. The company now employs 100 people in Conroe, Austin, Bryan-College Station, and Tomball.

Bleyl Engineering continues to be guided by its founding vision: "to be a foundation for the advancement of stronger, safer communities across Texas." Under John's leadership, not only has Bleyl Engineering prospered as a company, but many communities now have safer intersections, accessible public transportation, critical health care infrastructure, and economic growth opportunities.

Mr. Bleyl's first-class public and private sector engineering portfolio speaks for itself. A

few notable engineering projects that highlight John's legacy across Texas include the George Bush Intercontinental Airport, the Deason Technology Park, Texas Children's Hospital, and the Fish Creek Thoroughfare Expansion. When the highest standard of engineering or project management is required, Mr. Bleyl has been consistently called upon for his efficiency, dependability, and expertise.

Bleyl Engineering has also been committed to supporting the community through various philanthropic causes. It contributes to local fundraisers through the Rotary Club of Conroe and the Magnolia Education Foundation. In addition, Bleyl Engineering sponsored a local Ironman Triathlon competitor to raise money for Syrian refugees displaced by the civil war.

Mr. Bleyl continues to serve as the City Engineer for Panorama Village and Shenandoah, but his ideas live beyond his work as an engineer. His dedication to his community is evident through his involvement in the Lazy River Improvement District Board, Lone Star Groundwater District Board, West Fork—TIRZ Board, Bryan—TIRZ Board, and the New Danville Project.

I am proud to recognize John as an outstanding member of the Conroe community and his business for celebrating a quarter-century of excellence. Mr. Bleyl is an exceptional businessman, a generous philanthropist, and the embodiment of a true Texan. I congratulate him on this milestone and look forward to his continued success.

SAVE THE LIBERTY THEATRE ACT
OF 2021

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 15, 2022

Ms. JACKSON LEE. Madam Speaker, I rise in support of H.R. 3197, which provides a land conveyance to the city of Eunice, Louisiana.

The Save the Liberty Theatre Act of 2021 will allow the city of Eunice to restore its historic Liberty Theatre.

This historic theatre has hosted silent films, live bands, and other entertainment over its beautiful history.

The Liberty Theatre has been a staple of Louisiana's Cajun community for nearly 100 years.

With passage of this bill, the City of Eunice can proceed with its efforts to restore the theatre as an important center of culture and tourism.

The bill will also direct the Secretary of the Interior to convey all rights, title, and interest of the federal government in specified areas of the "Jean Lafitte National Historical Park and Preserve" to the city of Eunice, Louisiana.

That area includes an annex owned by the National Park Service (NPS) that is attached to the Liberty Theatre, which is owned by the city.

The area the NPS owns is a section of the Liberty Theatre that provides a handicap accessible entrance, but this ownership interest in the property is hindering efforts to restore the theatre.

The Save the Liberty Theatre Act of 2021 would grant Eunice full ownership of the theatre property so the city can begin restoration efforts.

The theatre's stage has been dark since October 2019, and to local Cajun musicians like Joel Savoy, there is a fear that the centerpiece of the Cajun community will be nothing more than a memory.

Savoy's family is very connected to the theatre, as his parents were the driving force behind a restoration project in the 1980s to reopen the ornate building.

The theatre's return is vital to regional tourism.

Savoy, along with a handful of other Eunice residents, formed the Association for the Liberty Theatre earlier this year.

Their association is looking into ongoing revenue potential through private events, such as wedding receptions, so the theatre doesn't shutter again in a few decades.

Their goal is to renovate and reopen the theatre by 2024 to commemorate the 100th anniversary, and according to Savoy an anonymous donor has committed to donating a "substantial amount" of the projected \$2 million needed to return the theatre to its former glory.

A handful of other Eunice residents plan on launching fundraising campaigns and other public planning projects if the legislation passes.

The people of this community are willing to go the extra mile in hard work and funding to preserve this landmark that is dear to them.

I encourage all my colleagues to join me and vote for H.R. 3197.

Since the people of this community are willing to come together to revitalize this landmark, we should support them.

RECOGNIZING MR. ARMOND
MORRIS

HON. AUSTIN SCOTT

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 16, 2022

Mr. AUSTIN SCOTT of Georgia. Madam Speaker, I rise today to congratulate Mr. Armond Morris of Irwin County for his retirement as Chairman of the Georgia Peanut Commission.

While farming for over 50 years, Armond has advocated for the peanut industry and farmers nationally and internationally. He served with the Georgia Peanut Commission for more than four decades and was chairman for 20 years. During his service, he led efforts to ensure that the U.S. peanut industry remained competitive against imports, worked toward improving federal policies, and fought off regulation and disease that would've been harmful to the industry. His outstanding dedication to our nation's peanut industry prioritized U.S. peanuts and grew the industry domestically.

As a senior member of the House Agriculture Committee, I am honored to represent outstanding farmers such as Armond. It is individuals like him that make Georgia, and America, great.

HAITI DEVELOPMENT, ACCOUNTABILITY, AND INSTITUTIONAL TRANSPARENCY INITIATIVE ACT

SPEECH OF

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 9, 2022

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise to address the gravity of the cyber threat to our national security and critical infrastructure, especially as we face potential cyber threats from Russia following its horrific invasion of Ukraine. The Federal Government must know when vital sectors of our Nation are affected by cyber attacks, so that we may deploy the full resources of the Federal Government to respond to and mitigate these attacks.

Division Y of the bipartisan “Consolidated Appropriations Act, 2022” will take significant steps to strengthen cybersecurity protections and ensure that the Cybersecurity and Infrastructure Security Agency, or CISA, is at the forefront of our Nation’s response to serious cyber attacks by requiring timely reporting of these attacks to the Federal Government so that we can better prevent future incidents and hold attackers accountable.

To be clear, Division Y of the Act, which is based on Rep. YVETTE D. CLARKE’s H.R. 5440, the “Cyber Incident Reporting for Critical Infrastructure Act of 2021,” and its Senate companion legislation (S. 2875) sponsored by Senator GARY C. PETERS, does not impede the FBI or other law enforcement investigations against perpetrators of attacks.

The plain text of Division Y makes Congress’s intent clear. Although the reports themselves—and any “communication[s], document[s], or material[s], or other record[s] created for the sole purpose of preparing, drafting or submitting” those reports—may not be received in evidence, the FBI and other law enforcement entities nevertheless may make full use of the information contained in such materials in their investigations of a cyber incident or for other purposes authorized by the statute. Likewise, additional facts developed in those investigations may be used to further those investigations or activities, including in ex parte or other proceedings. In other words, although the FBI cannot attach the report filed with CISA in a warrant application or submit it in evidence in a trial, it may, as appropriate, use information contained in the reports and derived from them for a range of purposes, including obtaining a warrant and prosecuting bad actors. Further, the legislative language also is not intended to prohibit or discourage entities from reporting to CISA and law enforcement concurrently.

The language of this division makes clear that the information may be used for cybersecurity or investigative purposes. In the new section 2245 of the Homeland Security Act of 2002 created by this division, it clearly states that reports submitted to CISA under this provision can be used for “the purpose of preventing, investigating, disrupting, or prosecuting an offense arising out of a cyber incident reported pursuant to” the statute’s requirements or through voluntary reporting provisions.

Moreover, facts developed during an FBI investigation of a relevant cyber incident using

other authorities are not subject to the evidentiary restrictions found in section 2245(c)(3) of the statute, including similar facts that may also have been disclosed to the Federal Government in the report to CISA.

The FBI’s efforts to hold accountable, disrupt, or deter perpetrators of cyber attacks are fully consistent with the goal of encouraging entities to disclose cyber incidents. As stakeholders work through the rulemaking process, the committees of jurisdiction in both the House and the Senate look forward to working with them to ensure that congressional intent is not misinterpreted, and that this legislation is implemented as intended.

Mr. Speaker, the hard work of many of my colleagues went into the inclusion of this important legislation in the “Consolidated Appropriations Act, 2022.” I want to thank especially Representatives CLARKE, JOHN KATKO, and ANDREW R. GARBARINO; and Senators PETERS, ROB PORTMAN, MARK R. WARNER, and SUSAN M. COLLINS.

RECOGNIZING SARA EGELSTON AKERS

HON. VAN TAYLOR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 16, 2022

Mr. TAYLOR. Madam Speaker, today I rise to recognize Sara Egelston Akers for a lifetime of service dedicated to fostering a love for the performing arts among the youth in our community.

In 1991, what began as a single production of “The Wizard of Oz” at a local church, would go on to become the profoundly impactful Plano Children’s Theatre (PCT), one of the first youth theaters dedicated to providing children from all backgrounds the opportunity to be on stage. Due to Sara’s efforts as the Theatre’s Founder and Executive Director, in time multiple performance theatres and rehearsal studios would be established across North Texas.

Among her most notable achievements during her tenure with PCT, Sara pioneered the use of drama as a means of therapy, paving the way for the widespread implementation of adaptive performing arts programs for students with disabilities.

Over the past three decades, Sara has been a vital contributor to Plano’s performing arts landscape. Following her executive role with PCT, Sarah went on to a serve as the Vice President of Community Outreach for North Texas Performing Arts (NTPA), where she oversaw fundraising, community outreach, and diversity efforts. Under her leadership, NTPA has become the largest youth theatre in the country impacting thousands of families.

For her many contributions within our community, Sara was recognized by the Plano Chamber of Commerce with the prestigious Athena Award, and the Lifetime Achievement Award from the Art Centre of Plano. In honor, NTPA has likewise established a “Sara Egelston Akers Legacy Fund” which will provide support for the organization’s scholarship initiatives.

Following her retirement this May, Sara will continue to serve as a teacher and director maintaining an active role in the NTPA’s Arts Advisory Council, Governing Board of Direc-

tor’s, and the Diversity, Equity, and Inclusion Task Force.

Ms. Sara Egelston Akers, a gifted educator, artist, and leader, has undoubtedly made a lasting impact on the North Texas community, and though she will be missed, her future is sure to be filled with many wonderful new opportunities.

As she prepares to embark on this next chapter of her life, I ask my colleagues in the U.S. House of Representatives to join me in honoring Sara Egelston Akers for her successful career devoted to promoting accessibility among youth in the performing arts.
